## CRIME LOG

*Crime log case numbers do not run sequentially. The University of Maine Police Department assign a case number for all reportable activities, both criminal and non-criminal. Only case numbers generated for criminal activities are listed in the crime log.*

*Crimes are in chronological order. The most recent crimes are at the top of the list.*

---

*Note: In certain incidents, the victim did not file an official police report and therefore, it is not always possible to provide information regarding the five areas typically covered in the Crime Log, i.e. (Nature/Classification, Date Reported, Date Occurred, Time, General Location, Disposition). Because an official report was not filed, there will be no disposition. These incidents are reported to the University Police for statistical purposes and are posted to the Crime Log as the information is received by the University Police. An incident number may be listed more than once if the incident has multiple offenses.*

---

*According to Federal Law, an institution may withhold any of the required fields of entry, i.e. the nature, date, time, location and/or disposition if any of the following conditions apply:*

- 1.The disclosure is prohibited by law*
- 2.If disclosure would jeopardize the confidentiality of the victim*
- 3.If disclosure would jeopardize an ongoing criminal investigation or the safety of an individual*
- 4.If disclosure would cause a suspect to flee or evade detection*
- 5.If disclosure would result in the destruction of evidence*
